

Welcome!

Welcome to your home-away-from-home apartment - we're excited to have you!

Clarksburg is a small city in Wild and Wonderful, West Virginia; our little slice of "Almost Heaven." We started this journey when a friend expressed knowing several people working in the healthcare industry who needed temporary housing. We are conveniently located within 2 miles of two such hospitals and only about 9 miles from another. We have the perfect space to host guests for both short and long term stays.

We are dedicated to helping you have a comfortable, peaceful visit. Please don't hesitate to reach out to us with anything we can do for you. The honor is in serving.

Enjoy your stay,

Thom and Beth
